PROGRAMS

Love 'Em ... or They 'll Leave

Focusing on the three key principles of Passion, People, and Purpose, participants discover the secrets of motivating others. Whether employees or community volunteers, it takes the three P's to keep people engaged and wanting to participate. Within this program, your audience will...

- * Understand how the three elements of 'Passion, People, and Purpose' support each other resulting in a highly effective, engaged team
- * Walk away with 3 creative ways to motivate your team while building value
- * Discover the one, single most important word that increases engagement; Make regular use of this word and watch people smile!

Don't Just Dream... DO!

Set a goal and achieve it. Seems so simple, but life gets in the way some times.

'Don't Just Dream...Do' is a motivational presentation demonstrating how to overcome some of life's challenges all while achieving your dreams. Perfect for high school seniors or college students, within this keynote, participants will:

- * Understand the 'tornado effect' and develop a plan to stay on track with their goals
- * Learn about effective networking and the importance connections play in future success
- * Learn how to decrease stress by adding more fun to life
- * Discover the positive impact of aligning their passion and purpose

Just PAWS – 4 Elements to a Fulfilling Life

The perfect conference opening or closing keynote presentation, Just PAWS is easily customizable to your event. It's a motivational speech presenting four keys to personal fulfillment and living a happy life with reduced stress and anxiety. Just PAWS is an interactive presentation which has audience members up, out of their chairs smiling and laughing.

More Wag, Less Bark - Delivering an Amazing Customer Experience

Whether it be customer service, leadership, or life in general, you'll find more success and enjoyment with a little more wag and a lot less bark. Success in all avenues is about serving and helping others. Learn 3 key strategies to help your customers feel like they're part of the family and learn to identify 'defining moments' that result in amazing customer experiences.
